Historical and Cultural Context The Democratic Republic of Congo: A Real-Life Backdrop

To fully grasp the weight of *Ruined*, it is essential to understand its real-world setting. The Democratic Republic of Congo (DRC) has been embroiled in conflict since the late 20th century, marked by civil wars, political instability, and widespread human rights abuses. The play is set in a bar—referred to as a "ruined" establishment—located in a war-torn region, serving as a microcosm for the larger chaos enveloping the country. The DRC's history is characterized by a complex web of colonial exploitation, resource-driven conflicts, and ethnic tensions. These factors have perpetuated cycles of violence, displacement, and trauma, especially for women who often bear the brunt of conflict-related atrocities. Nottage's choice to set her play here underscores her intention to highlight these issues through an intimate, human-centered lens.

The Realities of War and Gender Violence

The play draws heavily on the documented experiences of women in conflict zones, many of whom endure sexual violence as a weapon of war. Such atrocities are often systematically ignored or inadequately addressed by international agencies, further compounding their suffering. Nottage's narrative aims to humanize these stories, emphasizing the resilience and agency of women amid chaos.
