The Significance of Characters' Points of View in *Tangerine*

How Journal Entries Reflect Inner Thoughts

Journal entries in *Tangerine* function as a narrative device

that allows characters to express their true feelings and perceptions, often contrasting with their outward actions or spoken words. For instance, Paul Fisher's journal entries reveal his internal struggles with his eyesight, his feelings of alienation, and his desire to find his place within his new environment. These entries are crucial in understanding his growth from a passive observer to an active participant in his own life.

The Role of Perspective in Shaping the Story

Each character's point of view influences how readers interpret events and relationships. For example, while Paul perceives his brother Erik as a bully and a rival, Erik's perspective is often shown through his journal entries, revealing a more complex, and sometimes darker, side of his personality. Likewise, characters like Theresa and Luis offer perspectives that highlight themes of friendship, loyalty, and morality.

Examining Key Characters' Points of View

Early Perspectives and Challenges

At the beginning of the novel, Paul's point of view is shaped by his frustration with his eyesight and his feelings of being an outsider. His journal entries often express confusion and vulnerability, especially as he navigates his new school and community. For example:

1. "I can't see clearly, and I feel like I'm missing part of the world around me."
2. "Everyone seems to know something I don't, and I'm trying to catch up."

Growth and Self-Discovery

As the story progresses, Paul's entries show a shift toward confidence and understanding. His perspective becomes more introspective, reflecting on his own actions and growth. 2. "Standing up for what's right feels better than hiding behind my glasses."

Erik Fisher: The Antagonist's Perspective

Vanity and Ambition

1. "If I don't get what I want, I'll just take it."
2. "People only like winners, and I plan to be a big one."

Hidden Insecurities

Despite his confident facade, Erik's journal reveals insecurities and fears of failure, especially regarding his family's expectations and his own ambitions.

1. "Sometimes I wonder if I'm really good enough, or if I'm just pretending."

Personal Growth

Theresa's perspective evolves from naive admiration to a more mature understanding of morality and justice.

1. "Sometimes, standing up for what's right means facing difficult truths."
2. "I've learned that being brave doesn't mean you're not afraid."

Luis Cruz: The Voice of Justice and Community

How Different Perspectives Interact and Conflict

Contrasting Views and Conflicts

The novel's characters often have conflicting points of view, which drive the plot and create tension. For example, Paul's more empathetic and moral perspective clashes with Erik's aggressive and self-centered worldview. Theresa and Luis often serve as moral anchors, challenging or supporting the actions of others.

1. The conflict between Erik and Paul is heightened by their differing perceptions of right and wrong.

2. Theresa's moral stance sometimes puts her at odds with Erik's manipulations.
3. Luis's community-focused perspective encourages characters to consider the bigger picture.

Growth Through Conflict

Through journal entries and interactions, characters learn to understand and sometimes reconcile their differing points of view. Paul's growing awareness and empathy help him navigate conflicts more effectively, while Erik's perspective reveals vulnerabilities that can be addressed.

Including version numbers or revision dates in filenames helps track document evolution.

Maintaining a simple changelog provides context for updates and allows users to understand what has changed between versions. This is especially important in professional and collaborative environments.
