3. An estimated \$125 billion in damages, making it one of the costliest hurricanes in U.S. history.

#### 4. Disruption of infrastructure, including power, transportation, and communications.

The disaster exposed vulnerabilities in urban planning, emergency response, and community preparedness, but it also revealed the resilience of many small businesses and individuals who refused to succumb to the chaos.

For small online retailers, like [thisismyipodstore.com](http://thisismyipodstore.com), the storm's impact was multifaceted—disrupting supply chains, damaging physical assets, and challenging their ability to communicate with customers.

[thisismyipodstore.com](http://thisismyipodstore.com) was a niche online retailer specializing in iPod accessories, a burgeoning market in the early 2000s. Established in the early 2000s, it served a dedicated customer base looking for quality, affordable accessories for their Apple devices.

With a business model rooted in online sales, [thisismyipodstore.com](http://thisismyipodstore.com) was inherently vulnerable to

3. Prioritizing critical orders: For essential supplies or high-priority customers, the company expedited shipping once infrastructure was restored.

Taking regular breaks is another important factor in
