Historical Context and Rarity

Original editions of Lefranc Tome 3 are increasingly scarce, with surviving copies often

found in private collections or rare bookstores. The facsimile edition bridges the gap between rarity and accessibility, allowing a broader audience to experience the artwork as it was originally published. The Borg Edition designation signifies a specific print run or a special collector's version, often limited in quantity, featuring unique markings or packaging that enhance its collectability.

Additional Features

- Facsimile Inserts: Some editions include facsimile reproductions of original sketches, drafts, or promotional materials - Commentaries and Annotations: Expert essays or annotations may accompany the reproduction, providing context or background information - Limited Editions & Numbering: Many facsimiles are produced in limited runs, with each copy numbered to enhance exclusivity
