What Is a Food Handlers Card?

A food handlers card, also known as a food safety certification, is a document issued by the Arizona Department of Health Services (ADHS) that verifies an individual has completed a training course on safe food handling practices. This certification demonstrates that the holder understands proper food preparation, storage, sanitation, and hygiene protocols necessary to prevent foodborne illnesses.

Who Needs a Food Handlers Card?

In Arizona, any individual working in a food service establishment—including restaurants, cafes, catering services, cafeterias, and food trucks—must obtain a valid food handlers card. This requirement applies to:

1. Waitstaff and bartenders
2. Kitchen staff and cooks
3. Dishwashers and prep cooks

Arizona requires food handlers to complete a training course approved by the Arizona Department of Health Services. These courses can be taken:

1. Online through certified providers
2. In-person at local community colleges or health departments

The training typically covers topics like proper food storage, personal hygiene, preventing cross-contamination, and cleaning
