According to his account, he was abducted by extraterrestrial beings from the planet Thiaoouba, who guided him through a series of teachings about the universe, life, and humanity's spiritual evolution.

Desmarquet's narrative is rooted in a series of visions and experiences during a period of coma, which he described as awakening to higher levels of consciousness. The core of his message emphasizes that humans are spiritual beings temporarily incarnated in physical bodies and that understanding cosmic laws can lead to enlightenment and peace.
