Planning before creating a PDF

Choosing the right source format

The quality of a PDF depends heavily on the source file. Using clean, well-formatted documents as the starting point minimizes conversion errors. Popular formats such as word processors, design software, or markup-based editors can all produce high-quality PDFs when prepared correctly.

When creating Chile Original Sturtz Kalender 2020 Grossformat K, ensuring consistent fonts, margins, and spacing in the source file leads to a more polished PDF. Avoid excessive styling or unsupported fonts that may cause display issues on certain devices.

Embedding fonts ensures consistent appearance across devices. Without embedded fonts, text may render

differently or substitute default fonts, altering layout and readability. Proper export settings preserve the original design and intent of the document.
