Pirated copies of By Night Vol 1 may appear tempting due to their free availability, but they come with significant risks. These files

often violate copyright laws and may contain altered content, missing sections, or embedded malicious code. Downloading pirated material can expose your device to security threats and put your personal information at risk.

Annotation tools further enhance the study experience. Most eBook platforms allow users to highlight important passages, add notes, and bookmark pages. These features make it easier to review key concepts and organize information.
