The Patriarchy: Definition and Its Impact

What is the Patriarchy?

Key features include: - Male dominance in political, economic, and social spheres - Gendered division of labor - Cultural norms that prioritize masculinity - Institutional biases embedded in laws and policies

Its impacts include: - Gender-based violence: Higher rates of domestic violence, sexual harassment, and assault. - Economic disparities: Wage gaps, glass ceilings, and limited representation in leadership roles. - Health disparities: Differential access to healthcare,

reproductive rights, and mental health support. - Cultural reinforcement: Media and education that uphold stereotypes limiting individual potential.

Environmental Justice and the Patriarchal System
