The Arizona State Board for Charter Schools (AZSBC) was established to oversee the growth and quality of charter schools in Arizona. As an independent agency, the AZSBC operates under the authority of the Arizona State Legislature, with a mission to promote high-quality charter schools that meet or exceed state standards. History and Background Arizona has been a pioneer in charter school legislation, with the first charter schools authorized in the early 1990s. The AZSBC was created to provide a dedicated governing body that could streamline the authorization process, ensure accountability, and foster innovation. Over the years, the number of charter schools has grown significantly, making Arizona one of the states

Mission and Goals The core mission of the AZSBC includes: - Authorizing high-quality charter schools that serve diverse student populations. - Ensuring accountability and compliance with state laws and regulations. - Supporting charter schools through technical assistance and resources. - Promoting innovation in education to improve student outcomes. - Protecting the rights of students and parents within charter school settings.

## **Roles and Responsibilities of the AZSBC**

The Arizona State Board for Charter Schools has a broad scope of responsibilities that encompass the entire lifecycle of charter schools—from application to renewal, and oversight to closure. Charter School Authorization One of the primary roles of the AZSBC is to evaluate and approve new charter school applications. This process involves: - Reviewing the school's proposed educational program, governance structure, financial plans, and capacity. - Conducting site visits and interviews. - Ensuring compliance with state and federal laws. Once approved, the charter school is authorized to operate under a performance-based contract. This includes: - Regular financial audits. - Academic performance assessments. - Compliance with laws and policies. - Site visits and reports. Failure to meet performance standards can lead to sanctions, corrective actions, or even revocation of the charter. Renewal and Revocation Charter schools in Arizona are granted renewal periods—typically five years—after which the AZSBC evaluates their performance. If a school demonstrates success and compliance, it is granted renewal; if not, the board can deny renewal or revoke the charter. Providing Technical Assistance The AZSBC offers support to charter schools in areas such as: - Governance best practices. - Financial management. - Curriculum development. - Compliance with legal requirements. This

assistance aims to foster continuous improvement and sustainability. Public Engagement and Transparency The board maintains transparency through public meetings, reports, and communication channels.
