of screen size or operating system. This stability makes PDFs particularly suitable for long-form learning materials and reference documents.

### **Why PDFs are widely used in education**

One of the main reasons PDFs are popular in education is their universal accessibility. Most devices include built-in PDF readers, eliminating the need for additional software. This convenience allows learners to focus on content rather than technical setup. For materials like Adani Medical College Bhuj Merit List, ease of access reduces barriers to learning and encourages consistent usage.
