The Evolution of Tabloid Pictures in Los Angeles

Historical Background

Los Angeles has long been associated with the entertainment industry, and its tabloids have mirrored this association since the early 20th century. Publications like the Los Angeles Times, Star, and National Enquirer began featuring celebrity photos, often taken secretly or in candid moments, to satisfy public curiosity about the stars' private lives. During the golden age of Hollywood, paparazzi and tabloid photographers would clandestinely capture images of celebrities leaving studios, attending events, or engaging in personal moments. These images helped build the celebrity culture that LA is renowned for today.
