Sample Questions and Their Answer Keys

Below are examples of typical questions found in a slavery webquest, along with detailed answer keys to aid understanding and accuracy.

Question 1: Who was Harriet Tubman, and what role did she play in the abolition of slavery?

Answer: Harriet Tubman was an American abolitionist and political activist born into slavery. She escaped from slavery herself and became a leading conductor of the Underground Railroad, a secret network that helped enslaved people escape to free states and Canada. Tubman made numerous missions to rescue others, risking her life for freedom and justice. Her efforts significantly contributed to the abolition movement and symbolized courage and resistance.

Question 2: Describe the significance of the Middle Passage in the transatlantic slave trade.

Answer: The Middle Passage refers to the horrific sea voyage that transported enslaved Africans from West Africa to the Americas during the transatlantic slave trade. It was characterized by inhumane conditions, overpopulation, disease, and a high death rate. This voyage was a central component of the triangular trade system and symbolized the brutal exploitation inherent in slavery. Its significance lies in its role in the forced migration and commodification of millions of Africans, shaping the demographic and cultural landscapes of the New World.

Question 3: What legal codes regulated slavery in the American colonies?

Answer: Slavery in the American colonies was governed by a series of slave codes—laws that defined the status of slaves and their rights (or lack thereof). These codes varied by colony but generally included provisions such as: - Slaves could be bought, sold, and inherited. - Enslaved individuals had no legal rights and could be punished at the owner's discretion. - Restrictions on slaves' movement, assembly, and literacy. - Laws that criminalized resistance or escape attempts. These codes established the legal foundation for racial slavery and
