### The Challenge is Set

The story begins with Oni, seeking to prove his wisdom and strength. He encounters a wise old sage who presents him with a challenge: to select the greatest bird from a vast gathering of diverse avian creatures. The sage warns that only the most perceptive and humble can succeed, as many birds will try to deceive him with false appearances or boastful displays. The challenge is not only about choosing the fastest or most colorful bird but about identifying the one that embodies true greatness—patience, virtue, and purity of heart.

### The Birds Compete

A multitude of birds gather, each eager to be recognized as the greatest. Among them are:

1. The Golden Eagle: Symbol of power and nobility.

Through careful observation, Oni begins to recognize the subtle qualities that distinguish the true noble bird from the pretenders.

The bird is said to select worthy individuals to bestow its blessings upon, but only those who pass a rigorous test. Motivated by a desire for redemption or recognition, the Oni decides to undertake the challenge. However, the test is not simply about physical prowess but involves embodying virtues such as patience, humility, and insight.

Throughout the journey, the Oni encounters various characters—other creatures, spirits, and humans—each presenting opportunities for growth and reflection.
