Editing capabilities may vary depending on the software and the structure of the original PDF. Some PDFs are created from scanned images, which require Optical Character Recognition (OCR) to convert images into editable text. Additionally, protected PDFs may restrict editing, copying, or printing unless the correct password

or permissions are provided.

For minor changes, such as adding comments, highlighting text, or inserting notes, free PDF readers often include annotation tools. These features are useful for reviewing, studying, or collaborating on a Daihatsu Sirion Owners Manual PDF without altering the original content.
