1. Assisting with equipment setup and management
2. Running errands for cast and crew
3. Managing paperwork and schedules

Technical issues can arise unexpectedly, from equipment malfunctions to connectivity problems. PAs are usually the first responders, swiftly addressing:

1. Fixing projection or sound issues
2. Assisting with lighting adjustments
3. Ensuring all media files are correctly loaded and played

Their quick thinking ensures the movie starts on time and proceeds without disruptions, making the night extraordinary for viewers.
