The novel presents a highly stratified society divided into castes, each conditioned for specific roles. An effective exam response should analyze how this hierarchy sustains social stability and suppresses dissent. For example, Alphas are the ruling class, while Epsilons perform menial tasks, and the conditioning ensures they accept their roles without question.

Technological and Scientific Control

Huxley's depiction of technology as a means of social control is central to the novel. The use of genetic engineering, conditioning, and drugs like soma demonstrates how technology can manipulate human consciousness. Discuss how these methods eliminate personal choice and foster conformity.
