This mixture of progress and societal tension laid the groundwork for modern democratic institutions and social

Social Hierarchies and Class Structure

The Victorian Class System

Victorian society was rigidly stratified, with clear distinctions among classes: - The Aristocracy and Gentry: Landowning elites who held political power and social prestige. - The Middle Class: Professionals, merchants, and industrialists who gained wealth and influence. - The Working Class: Factory workers, laborers, and rural peasants facing challenging conditions. - The Poor and Underprivileged: A significant segment living in squalor, often dependent on charity or workhouses.
