Literal and Symbolic Interpretations

The title "battu en neige" translates to "beaten in snow" or "pounded in snow," implying a sense of resilience and vulnerability intertwined with the imagery of snow. Snow often symbolizes purity, silence, and transience in literature and art, but it can also evoke coldness, isolation, and the passage of time. In the context of the volume, the phrase suggests a narrative where characters or themes are metaphorically "beaten" or tested amidst a snowy landscape—an environment that reflects emotional states or societal conditions. The snow serves as both a barrier and a canvas, absorbing the characters' struggles and moments of introspection.
