Students benefit in similar ways. Learning becomes more personal when materials are always accessible. Global access adds richness to the experience. Readers from different cultures and backgrounds engage with the same material, often interpreting ideas through different lenses. Readers venture beyond familiar subjects, connecting ideas across disciplines. This cross-pollination strengthens creativity and critical thinking, allowing knowledge to grow organically. Long-term engagement becomes possible when resources remain available. Notes saved today support understanding tomorrow. Bookmarks placed months ago still guide attention. Learning stretches across time rather than resetting with each new resource. The role of books subtly shifts. Instead of being consumed once, they remain present. They wait patiently, ready to be reopened when curiosity returns. This availability transforms reading into an ongoing relationship rather than a single event.
