Key characteristics of Heaven's Gate included: - A belief that Earth was about to be "recycled" or destroyed. - The idea that salvation could be achieved by leaving their human bodies and merging with a spaceship following the Hale-Bopp comet. - Strict discipline, including celibacy, minimal material possessions, and communal living.

Their collaboration led to the creation of a unique belief system that combined elements of Christianity, science fiction, and New Age spirituality. The movement garnered a small but dedicated following over the years, often operating in secrecy.

Their teachings centered around the idea that Earth was about to be recycled or "wiped clean," and that ascension to a higher plane was possible through spiritual enlightenment and extraterrestrial contact.

## W's Introduction to Heaven's Gate

W, whose full background remains private, was drawn into the movement during a period of personal crisis.
