What Is Le Tha C A Tre Du Corps?

Le tha c a tre du corps, often translated as "body therapy" or "body healing," is a therapeutic practice rooted in the traditional Thai medicine system. It combines elements of acupressure, stretching, and rhythmic massage to stimulate the body's energy lines, known as 'Sen' lines, and promote physical and mental harmony. Unlike conventional massages that primarily focus on muscle relaxation, this technique aims to restore the flow of vital energy, or 'Lom,' within the body. This practice is typically performed by trained therapists who utilize their hands, elbows, knees, and sometimes feet to apply precise pressure and movements. Sessions can vary from gentle and relaxing to more vigorous, depending on the client's needs and preferences.
