It seeks to protect persons who are not participating in hostilities and to restrict the means and methods of warfare.

Core Principles of IHL

1. Distinction: Parties to a conflict must distinguish between combatants and civilians.
2. Proportionality: Attacks should not cause excessive civilian harm relative to the military advantage gained.

3. **Necessity:** Use of force must be necessary to achieve legitimate military objectives.
4. **Humane Treatment:** All persons must be treated with respect and dignity, including detainees and civilians.
