The Origins and Historical Development of the Nazarene Hymnal

Early Roots and Formation

The Sing to the Lord Nazarene Hymnal was born out of a desire to unify worship practices across the global Nazarene community. The Church of the Nazarene, founded in the early 20th century, sought to develop a hymnody that reflected its doctrinal distinctives—holiness, sanctification, and evangelism—while also embracing musical traditions from diverse cultures.

Initially, individual congregations relied on denominational hymnals or imported hymnals from other Wesleyan and Methodist traditions. Recognizing the need for a dedicated collection, denominational leaders convened committees in the mid-20th century to curate a hymnal that would serve as the spiritual heartbeat of Nazarene worship.

Key Editions and Revisions

The hymnal has undergone several revisions, each reflecting shifts in theological emphasis, musical styles, and cultural inclusivity:

2. Second Edition (1985): Incorporated newer compositions and expanded sections on contemporary worship music.
3. Current Edition (2017): Emphasizes diversity, inclusion, and relevance, with a broader representation of global Nazarene communities.
