The Trial

A gripping novel about Josef K., who is arrested and prosecuted without knowing the charges against him: - Themes: Bureaucratic absurdity, guilt, justice, powerlessness. - Lessons: The dangers of unchecked authority, the importance of individual agency, and the often arbitrary nature of justice. This work warns against

complacency in the face of systemic injustice, urging vigilance and critical awareness.

The Castle

The story of a man seeking access to the mysterious authorities of a village: - Themes: Obsession, alienation, the elusive nature of authority. - Lessons: The futility of human endeavors to seek absolute clarity or approval, and the importance of questioning authority's legitimacy.
