Overview of Citizen: An American Lyric

Background and Context

Published in 2014, *Citizen: An American Lyric* emerged during a period marked by heightened awareness of racial tensions and social injustices in the United States. Claudia Rankine, an acclaimed poet and essayist, uses both poetic language and visual media to craft a narrative that is as personal as it is collective. The book is structured as a series of vignettes, images, and poetic sequences that examine everyday microaggressions, systemic racism, and the emotional toll of living as a Black person in America.

Format and Style

The book's format is unconventional—combining narrative poetry, photographs, and quotations—creating an immersive experience that blurs the lines between genres. Rankine's lyrical style is accessible yet profound, inviting readers to reflect deeply on the subtle and overt ways racial bias manifests in daily life. Features:

Literary and Artistic Significance

Poetry and Prose

Claudia Rankine's poetic voice is both lyrical and incisive. Her use of free verse and precise diction creates a rhythm that mirrors the emotional cadence of the stories she tells. The poetic sequences are carefully crafted to evoke empathy and introspection.

Visual Elements
