Lack of Adaptive Features - Unlike some digital or commercial prep platforms, the booklet does not adapt to student performance or provide personalized recommendations. Absence of Interactive Components - No interactive quizzes or real-time feedback, which can be beneficial for some learners. Focus on Practice, Not Instruction - The booklet emphasizes practice questions rather than comprehensive content review or instruction, so students may need supplementary resources for concept mastery.

categorized, and easy to retrieve. Progress is never lost, even when reading is paused for weeks or months.

The global nature of access adds another layer. Readers across different cultures encounter the same material, often interpreting it through unique experiences. This shared access strengthens collective understanding.

Revisiting familiar passages often reveals new insights. What once felt complex may later feel clear. Growth becomes visible through repeated engagement rather than rushed completion.
