The overall design maintains a sleek profile, with subtle accents and a minimalist branding approach. This modern aesthetic aligns with current trends in climbing gear, emphasizing both performance and personal expression.

The choice of materials plays a crucial role in the shoe's performance:

- Upper Material: Crafted from high-quality, breathable synthetic leather, the upper offers durability while minimizing weight. It adapts well to foot shape over time, providing a snug fit without excessive pressure.
- Sole Material: The outsole is made from a proprietary rubber compound that balances grip and durability. The rubber's adhesion quality ensures precise footholds on both smooth glass holds and rough rock surfaces.
