As one of the last in-depth interviews with this legendary author, the conversation—often dubbed “Dutch on Dutch”—offers invaluable insights into his creative process, storytelling philosophy, and reflections on a career that shaped modern crime fiction. In this article, we delve into this rare interview, unpacking Leonard's words, and exploring what makes his work endure.

The Context of the Interview: Why It Matters

Before diving into the details, it's essential to understand the significance of this interview. Conducted shortly before Leonard's passing, it stands as one of his final extensive conversations with a journalist or scholar. It captures Leonard in a reflective state, contemplating his career, the evolution of crime fiction, and his personal approach to storytelling. For fans and aspiring writers alike, this interview functions as a masterclass—an intimate window into the mind of a literary giant.

Elmore Leonard's Philosophy on Writing: The Art of Less

The Emphasis on Simplicity and Authenticity

One of Leonard's core beliefs is that good storytelling requires clarity and economy. During the interview, he emphasized:

1. “Try to write in a way that the reader can see, hear, and feel what's happening without extra fluff.”
2. “Keep it simple. If you can tell a story in fewer words, do it.”

Leonard's approach was grounded in the idea that dialogue and action should carry the story, not overly descriptive prose. His sentences were often short, punchy, and to the point, a style that contributed to the realism and immediacy of his narratives.

The Power of Dialogue

He believed dialogue was the backbone of storytelling:

1. "People talk the way they talk in real life. If you listen, you'll hear a lot of false starts, interruptions, and slang. That's what makes it real."
2. Leonard often advocated for writing dialogue that sounds natural, avoiding overly formal or literary language.

This focus on authentic speech helped make his characters memorable and relatable, ultimately immersing readers in the gritty worlds he depicted.

Character Development: Less is More

Leonard's characters were often morally complex, flawed, and deeply human. Yet, he maintained that developing compelling characters did not require detailed backstories or extensive descriptions. Instead, he relied on:

1. Actions and dialogue to reveal personality.
2. Letting characters' choices define who they are.

In the interview, Leonard shared:

> "I don't spend a lot of time creating detailed histories for my characters. I prefer to show who they are through what they do and say. That's more honest."

This minimalist approach to character development contributed to the realism that became Leonard's trademark.

Plot Construction: The Importance of Structure

Leonard's stories often involve crime, moral ambiguity, and unexpected twists. In the interview, he emphasized:

1. "Plot is about structure and timing. If you get those right, the

story will move itself.”

2. He was a proponent of “writing toward the ending,” meaning he would often start with a clear idea of the story’s conclusion and work backward.

He also believed in the importance of pacing:

1. “Keep the story moving. Don’t linger too long on one scene unless it’s essential.”

This disciplined approach kept his novels tight and engaging, ensuring readers remained hooked from start to finish.

The Creative Process: Discipline and Observation

Writing Every Day

Leonard was famously disciplined, often writing every morning:

1. “You can’t be a writer if you only write when you feel like it. It’s a job, like any other.”

He stressed the importance of routine and persistence, advocating for a dedicated daily writing schedule.

Observation of Life and People

Leonard drew inspiration from real life, often observing people in everyday situations:

1. “Most of my characters are based on real people I’ve met or observed.”
2. He believed that authenticity in character and dialogue came from keen observation.

This focus on realism gave his stories a grounded feel that resonated with readers.

Reflections on the Crime Genre and Hollywood

The Evolution of Crime Fiction

Leonard acknowledged that the genre had changed over the decades but maintained that the core principles remained the same:

1. “A good crime story is about real people making real choices, not just puzzles to solve.”

He appreciated the rise of noir and gritty storytelling but cautioned against losing sight of character-driven narratives.

Hollywood and Film Adaptations

Leonard had a complex relationship with Hollywood adaptations of his work. He appreciated that some films brought his stories to a wider audience but also lamented compromises made for commercial reasons. He noted:

> “They often miss what’s important— the tone, the characters, the little details that make it real.”

Despite this, he was proud of adaptations like *Get Shorty* and *Jackie Brown*, which he felt captured the spirit of his novels.

Legacy and Advice for Aspiring Writers

In the closing parts of the interview, Leonard offered timeless advice:

1. “Read a lot, write a lot, and don’t be afraid to rewrite.”
2. “Write what you know, but don’t be afraid to explore new worlds.”
3. “Keep your stories honest, and don’t talk down to your readers.”

He emphasized that perseverance, discipline, and authenticity were key to succeeding as a writer.

The Enduring Impact of Elmore Leonard’s Philosophy

Leonard's approach to storytelling—minimalist, character-focused, dialogue-driven—has left an indelible mark on literature and film. His emphasis on authenticity and economy influences contemporary writers and screenwriters, proving that less is often more. This interview encapsulates his wisdom, revealing not just his techniques but his deep understanding of human nature and storytelling.

Key Takeaways from the Interview

1. Write with clarity and economy; don't over-explain.
2. Use dialogue to reveal character and move the story forward.
3. Develop characters through actions and choices, not backstory.
4. Structure and pacing are critical; always know where your story is headed.
