Artistic Style and Techniques

Illustration Style

The artwork in the 2020 calendar leaned heavily into a detailed, semi-realistic style reminiscent of classical fantasy illustrations. Artists aimed to balance realism with fantasy elements, emphasizing textures such as armor, fabrics, and landscapes. The use of chiaroscuro—the contrast between light and shadow—added depth and drama to each image, creating a sense of realism amid the fantastical scenes.

Color Palette

A muted, earthy color palette dominated the illustrations, reflecting the gritty and often brutal tone of the series. Deep reds, dark browns, icy blues, and metallic silvers were common, capturing the mood of war, winter, and political intrigue. Some images incorporated contrasting bright colors—like the fiery reds of Daenerys' dragons—to emphasize key figures and themes.

Techniques and Mediums

Most illustrations were created digitally, allowing artists to incorporate fine details and layering effects that enhanced depth and realism. Digital painting techniques enabled the blending of textures, from the rough stone of castles to the delicate feathers of dragons. The result was a series of images that felt both timeless and vividly alive.
