Websites operated by universities, public libraries, or recognized organizations usually follow strict security and copyright standards. Public domain repositories such as Project Gutenberg or Open Library provide legally free access to certain books without hidden risks.

Be cautious of websites that aggressively promote free downloads without clearly stating licensing information. Pop-up ads, forced redirects, and requests to install additional software are common warning signs of unsafe sources. A legitimate platform will allow you to download Jan 2014 Accounting Unit 2 Mark Scheme directly without unnecessary steps or suspicious requirements.

Identifying trustworthy download sources
