Large PDFs can be challenging to store and share. Optimizing file size improves performance and accessibility. Image compression, font optimization, and removal of unnecessary metadata

help reduce size while preserving visual quality. Well-optimized versions of Sample Letter Meeting Request With Ambassador load faster and require less storage space.

Splitting very large PDFs into smaller sections is another effective strategy. This approach improves navigation and allows users to access specific parts of the document without loading the entire file at once.

Security considerations for PDF files
