- A) The new student at school
- B) The boy who becomes Leslie's best friend
- C) The protagonist who dreams of being the fastest runner in school
- D) Leslie's older brother

Correct Answer: C) The protagonist who dreams of being the fastest runner in school

Explanation: Jess Aarons is the main character and narrator of the story. He aspires to be the fastest runner in his class, a goal that motivates him at the start of the novel. - A) Jess's fear of change
- B) Leslie's desire for independence
- C) A connection to imagination and freedom
- D) The end of Jess's childhood

Correct Answer: C) A connection to imagination and freedom

Explanation: The rope swing is a significant symbol representing adventure, imagination, and a sense of freedom for Jess and Leslie. It is the portal to their imaginary kingdom of Terabithia, embodying their escape from reality and the power of friendship. While it may also symbolize change or growth, the best fit is C, as it directly relates to their imaginative world.

She inspires him to embrace creativity, which is a central theme of the novel. The other options are not supported by the story; Leslie does not push him toward competition, moving, or discouraging his interests.

Taking regular breaks is another important factor in enhancing reading experience. Prolonged screen exposure can lead to eye strain and reduced concentration. Following structured reading intervals—such as reading for a set period and then resting—helps maintain mental clarity and physical comfort. Digital tools that track reading time or offer reminders can support healthier reading habits.

Optimizing focus and comprehension

Minimizing distractions improves comprehension when reading Bridge To Terabithia Quiz Answers Multiple Choice. Disabling notifications, using distraction-free reading modes, or switching devices to offline mode can significantly enhance focus. Some applications offer dedicated reading modes that hide menus and unnecessary elements, allowing readers to concentrate fully on the content.
