The Historical Roots of Zombies

Zombies, as popularly depicted today, trace their origins to Haitian folklore, where they are believed to be reanimated corpses controlled by voodoo practitioners. These early representations were rooted in themes of slavery, control, and the fear of loss of agency. Over time, the concept transformed through Western media, especially with George A. Romero's 1968 film "Night of the Living Dead," which popularized the modern zombie archetype—mindless, relentless, and driven by a primal hunger.

Modern Depictions and Variations
