The Minotaur is often associated with the island of Crete, where it was said to live inside a complex maze called the Labyrinth.

Origins and Mythology of the Minotaur

The Myth of the Minotaur

The story of the Minotaur begins with King Minos of Crete. According to legend, Minos was given a magnificent white bull by the god Poseidon, but he kept it instead of sacrificing it to the gods. Because of its dangerous nature, King Minos ordered the construction of the Labyrinth, a complex maze designed to imprison the Minotaur and keep it away from the rest of the world. Every year, Athens was required to send young men and women to Crete as a tribute, and some of these unfortunate victims were sacrificed to the Minotaur inside the maze.
