Core Principles of Strategy by Jordan Grant 1. Value Creation At the heart of any strategy lies the concept of value creation. Organizations must identify ways to deliver value to customers while maintaining profitability. Grant emphasizes that value creation is not solely about offering low prices but also about differentiation through quality, innovation, and customer experience. 2. Grant advocates for continuous assessment of internal strengths and external opportunities to adapt strategies accordingly. This dynamic alignment helps organizations remain relevant and competitive. 4.
