Successful candidates are awarded the Diplomate credential, signifying they meet national standards for anesthesiology practice.

Maintenance of Certification (MOC)

Certification is not a one-time achievement; the ABA emphasizes lifelong competence through its Maintenance of Certification (MOC) program. This program encompasses: - Continuing Medical Education (CME): Regular participation in accredited educational activities. - Practice Performance Assessment: Quality improvement projects and peer assessments. - Periodic Examinations: Reassessment through secure testing to ensure ongoing knowledge. - Professionalism and Ethics: Continued adherence to ethical standards and professional conduct. The MOC program is designed to ensure anesthesiologists remain current with evolving practices, technologies, and guidelines, ultimately safeguarding patient outcomes.
