Day With Marie Antoinette An Intimate Portrait. Including version numbers or revision dates in filenames helps track document evolution.

Maintaining a simple changelog provides context for updates and allows users to understand what has changed between versions. This is especially important in professional and collaborative environments.

Tagging and categorization strategies

Tags provide flexible organization beyond fixed folder structures. Applying descriptive tags allows PDFs to belong to multiple categories without duplication. For example, A Day With Marie Antoinette An Intimate Portrait can be tagged by topic, audience, or usage type, making it easier to retrieve in different contexts.
