For example, Mary Baxter Divine Revelation Of Spirit Realm can be tagged by topic, audience, or usage type, making it easier to retrieve in different contexts.

Tagging systems work best when controlled and consistent. Establishing guidelines for tag usage prevents fragmentation and maintains clarity within the library.

When Mary Baxter Divine Revelation Of Spirit Realm is text-based and well-structured, keyword searches become significantly faster and more reliable.

Using OCR for scanned documents converts images into searchable text, improving both usability and accessibility across the library.
