"Los Ríos Profundos" was published in 1958, during a period of societal upheaval and cultural introspection in Peru. The country was grappling with rapid modernization, rural-urban migration, and the marginalization of indigenous peoples. The rivers depicted in the story symbolize both geographic realities and cultural currents, embodying the flow of history, tradition, and change. The title itself alludes to the profound depths of Peruvian indigenous roots, emphasizing a connection to ancestral knowledge and collective memory.

Literary Features and Narrative

Style

Blend of Indigenous Oral Traditions and Literary Forms

One of the defining features of "Los Ríos Profundos" is its seamless integration of indigenous oral storytelling techniques with written narrative.
