Introduction to Hosts of Heaven

The Hosts of Heaven are a central theme in Mage: The Sorcerer's Crusade, representing the divine legions that serve higher powers, often associated with various religious traditions. Unlike the more human-centric mages, these beings are celestial, embodying divine will and cosmic order. They act as both allies and adversaries, depending on the context and the perspective of the mage. This supplement explores their origins, hierarchies, and roles within the supernatural ecosystem. It provides a nuanced view of angels, archangels, and other celestial entities, emphasizing their complex relationships with humanity, the divine, and the forces of chaos.

Historical and Mythological Foundations

Origins and Lore

The Hosts of Heaven draw heavily from Judeo-Christian traditions but are reinterpreted through the lens of Mage: The Ascension. In this setting, angels are not merely messengers but active participants in shaping the cosmic balance. They are often depicted as beings of pure purpose, wielding divine magic (or "Divine Mysteries") that surpass mortal comprehension. The lore suggests that these hosts were created at the dawn of time, tasked with maintaining the divine order across the multiverse. Over the centuries, their roles have evolved, sometimes aligning with human institutions, sometimes opposing them.

Theological Themes

Themes of obedience, free will, and divine justice permeate the Hosts of Heaven. They are often portrayed as embodiments of moral absolutism but also possess a surprising depth that reveals internal conflicts and moral ambiguity.

Structure and Hierarchy of the Hosts

Celestial Hierarchies

These hierarchies influence their behavior, duties, and interactions with mortals. Key tiers include: - Archangels: The highest-ranking celestial beings, wielding immense power and authority. They often serve as commanders or divine enforcers. - Angels and Choirs: Various choirs represent

different aspects of divine will—powers of protection, judgment, healing, or destruction. - Seraphim and Thrones: Beings of pure fire and divine presence, often acting as messengers or judges. This layered structure allows for a rich tapestry of celestial politics and rivalries, which can be woven into campaigns or character backgrounds.

Allies or Adversaries?

Depending on the context, Hosts can be: - Allies: Assisting mages in their quests, especially when aligned with divine justice. - Adversaries: Opposing mages who threaten divine order, such as heretics or practitioners of forbidden magic. - Neutral Observers: Watching from a distance, intervening only when divine law is broken. Their relationships are often influenced by the moral and spiritual alignment of the mage, leading to potential conflicts or alliances.
