Using techniques such as the Pomodoro method—reading for 25–30 minutes followed by a short break—can be particularly effective.

Adding notes in your own words helps reinforce understanding and creates a personalized study guide. Over time, these highlights and annotations turn Juana La Reina Loca De Amor into an interactive learning resource rather than passive reading material.

Adjusting screen settings plays a crucial role in reading comfort. Most reading apps allow you to customize font size, font style, line spacing, and background color. Increasing font size and line spacing can reduce eye strain, while using dark mode or sepia backgrounds may improve readability in low-light environments. Adjusting screen brightness to match ambient lighting further enhances comfort and protects eye health during long reading

sessions.

Creating a focused reading environment

A distraction-free environment improves reading efficiency and enjoyment. When reading *Juana La Reina Loca De Amor*, try to minimize notifications from messaging apps or social media. Many devices offer “focus mode” or “do not disturb” settings that help maintain concentration. Choosing a quiet, comfortable location with proper lighting also contributes to a better reading experience.
